Prior to the issue of G.O dated 25-9-42 enhancing the rate of Dearness Allowance to the lower-time employees of Govt, on a uniform rate of Rs 1-8 p.m. was being allowed to the employees of Govt drawing a salary of —

(1) Rs 50/- and below p.m in the cities of Bangalore & Mysore, Davangere Town and K.G.F

(2) Rs 40/- and below in other places. A

Rs 14/11 By In G.O. d. 10th August 1942, a distinction was made between "Bangalore City, Mysore City, Davangere, & K.G.F," and other places in respect of the grant of Dearness allowance. A

In the latest G.O., however, only B. City was classed as a costly place where a higher rate of allowance is allowed, and all other places were classed together (as less costly) & lower rate allowed.

The Dy Comr has urged that K.G.F should be treated on a par with B. City & he has been reminding in the matter. The I.G. of Police also has supported the request.

From the remarks recorded on the P.W.D by the Fin Secy, it is gathered that the latest decision was in accordance with instructions in Council, and it has been suggested that the question may be examined some time later if considered necessary.

If K.G.F. is included as a costly place along with B.City, perhaps a few other places (Mg.City, Davangere etc) may claim similar treatment.

Bangalore stands altogether on different footing, being an important Military Centre or station for South India and the hospl. atmosphere being more or less on a par with 'A' class in Br. India for classif. of Removals allowance, ~~Hence~~ the rates for Bangalore will have to be special, quite independently of the question of the adequacy or Reasonable of the present rates, for other places like, K.G.F., Bellary & Kadamangalam. Hence no change is called for at present. JLJ 16/11/42

JL Secy)

I do not think it is right or correct to put K.G.F. area on the same footing as that of Bangalore or to urge that officials of K.G.F. should be given the same rates of allowance as paid to those of Bangalore City. Bangalore is fast becoming a cosmopolitan International City where a number of persons come in and go out as a result of the War and where there is a large influx of outsiders in connection with Industrial activities. I do not think any area in the whole of Mysore can be compared to Bangalore which is rapidly expanding.

The Deputy Commissioner will be informed that Government have come to their existing decision on a due consideration of all the factors affecting the

No. 3199

Sir,

With reference to G.O.No.Fl.2516-2215/S.&.A.136-42-1 dated 25th September 1942, sanctioning enhanced rates of Dearness Allowance to certain whole-time empployees of Government, I have the honour to state that the rates of Rs.5/- and Rs.7/- have been allowed to the whole-time employees of Bangalore City, and K.G.F. area has been classed among other places. The ruling prices of the necessities of life are far higher than Bangalore City. Not Correct Every article has to come from Bangalore, and must necessarily be purchased at a higher price. Copies of maximum prices of Food Stuffs fixed for both the places are sent herewith for comparision. Even in normal times, K.G.F., was considered to be a costlier place than Bangalore. The Special First Class Magistrate, Kolar Gold Fields, reports that the officials will be put to hardship if the present rate of Dearness Allowance is not enhanced. A copy of his report is enclosed.

Under the circumstances, I request you to kindly obtain sanction of Government for allowing to officials in K.G.F. area also the rates of Dearness Allowance as are now sanctioned for Bangalore.

Adverting to G.O.No.Fl.2156-2215-S & A 136-42-1 dated 25th September 1942, sanctioning the enhanced rate of Dearness Allowance to the low paid employees of Government, I have the honour to state that even in normal times, Kolar Gold Fields was considered to be a costlier place than Bangalore and the officials on the Clerikal staff whose pay was Rs.50/- and below, were allowed a Local Allowance of Re. 0-1-0 per rupee. The Government while sanctioning the increase of Dearness - Allowance from Re.1/- to Rs.1-8-/ have considered Kolar Gold Field along with Bangalore City. But under the present Government Order, Kolar Gold Field has been included among other place for which the lesser rate of Dearness Allowance is sanctioned.

I, therefore, request you to kindly move the Government, for allowing the higher rates sanctioned to Bangalore to this area also, as it is considered is no way less expensive than Bangalore.
